# Australian/eROSITA_DE *&lt;WGname&gt;* Project Proposal

## 1. General Information

1.1 Project Title: *Insert Title Here*

1.2 Project Proposer (Australian): *Firstname Lastname1*
1.3 Australian Institute: *name*

1.4 Project Proposer (eROSITA_DE): *Firstname Lastname2*
1.5 Institute: *name*

1.6 Proposal Version number: *1.0*
1.7 Date: *year-month-day*

1.8 Current participant list:
    1.8.1 Australian participants:
    1.8.2 eROSITA_DE participants:

1.9 Part of (PhD, Master) Thesis: *Yes/No*

1.10 A brief summary of the proposed project (max 200 words)

## 2. Project Description

2.1 Project Background (~ max 2 A4 pages):

2.2 Expected Outcomes:
    *Paper in refereed journal, catalog, report, etc.*

2.3 Data products (if applicable):
    *Specify whether they will public or internally distributed*

2.4 Project Timeline:
    *Catalog available by…, draft paper by…*

## 3. Collaboration details

3.1 eROSITA_DE dataset(s) to be used:
    *e.g. eFEDs, eRASS&lt;n&gt;*
3.2 Australian dataset(s) to be used:
    *Survey data from…*
3.3 Required data, supporting datasets and/or tools from:
    3.3.1 eROSITA_DE
        *e.g. X-ray catalogue, images, spectra, light curves, sensitivity maps,*
        *identifications, simulations, any non-eSASS code, etc.*

       3.3.2 Australian Facilities
           *Survey calibrations files, logs etc.*

3.4 Preparatory tasks to gather eROSITA data in the required form:
     *Describe all the steps needed, including details of key people involved.*

3.5 List of Australian scientists requesting access to eROSITA data:
     *Specify which of the above listed data are needed by whom,*
     *and for what tasks*

3.6 List of eROSITA_DE members requiring access to the data from Australian
     facilities:
     *Specify which of the above listed data are needed by whom,*
     *and for what tasks*

   3.7 Does your project require the use of proprietary data? If so, please
provide evidence of approval for the use of these data for this project (e.g., an
email from the survey/project PI/eROSITA_DE Science Working Group Chair).

   3.8 Is your project already approved by the corresponding eROSITA WG(s)?
      If not, please submit your project the relevant eROSITA WG and get
approval before submitting it to th AAL/eROSITA board

## 4. Follow-up plans (if applicable):

4.1 Details of any planned/likely preparatory and/or follow-up proposals:
4.2 Details of any related grant proposals:
4.3 Details of any related observing proposals:
